Read this Twice

For a few days I have to offer three full blocks in New City, each block containing 20 lots, and each lot 40 by 137½ feet for

\$1600.

This is a little over \$25 per lot. Only a few years ago you could have bought the same size lots about where the car line now runs on 16th street. Now you pay ten times as much. Somebody will pay ten times as much for the lots in these three blocks and may be in a couple of years. \$600 cash and balance on time.

\$700—For another block a little better than the three above. Terms also on this.

\$900—For two blocks not quite so good as the above three.

THEY ARE ALL MONEY MAKERS. SOMEBODY WILL BUY THEM AND MAKE MONEY. WHY NOT YOU?

ABSTRACT OF TITLE

TO THE PROPERTY.

IS YOUR TITLE GOOD?

That is the all important question. If you want it answered quickly and correctly, come to us. We make it our business to find the answer.

If you have any real estate to sell, let us make you an abstract now. Don't wait until you have found the purchaser, but have the answer ready before hand.

An Abstract will not make a good title out of a bad one, but it will often enable the owner to do so by showing him existing defects which he may be able to remedy.
